

YOUR FURRY FRIEND walking tour

Good Morning! Your tail is wagging, the sun is shining and you're ready to strut around the neighborhood. First stop on this walking tour involves a sweet treat for you and your owner. While they grab some coffee and a pastry at **Bakery Nouveau**, you'll be drooling over the delicious and all-natural treats from **Next to Nature**.

Head on over to **Junction Plaza Park** to enjoy them and maybe even watch some cars go by. Good boy! You didn't beg at all after you gulped down your treat, which deserves a reward from **Petco...** a new toy!

Hop out of the car at **Alki Beach Park** to play ball or chase some squirrels at **Fairmount Park**.

Uh oh, you've got sand in your fur, now you're in need of a bath! Good thing **The Wash Dog** is close-by for all your grooming needs. Once you're all gussied up, you can relax at **The Beveridge Place** with some of your buddies, and maybe they'll even bring their owners along to keep yours company.

What a fun day exploring West Seattle. You can tell you're gonna **LOVE** it here.
